PHNX PUSH BROOM POLY & 60" WOOD HANDLE

TASK DURATION

3-5 MINUTES WHEN USED WEEKLY

TIPS

- USE PRODUCTS ON A SCHEDULE (1-2 TIMES PER WEEK)
- WEAR GLOVES

PREPARATION

SWEEP AWAY TRASH AND DEBRIS. FOR LARGER SPILLS, PRE-TREAT WITH GAS ISLAND SURFACE CLEANER

INSTRUCTIONS (OIL-X & AC-40):

Using scoop provided, apply directly onto spot or larger area. 1 full scoop covers 50sq. ft.

Using Poly Push Broom. Keep in contact with ground surface using forward & backward sweeping motions. Next, sweep across the initial line of product until all powder is dispersed. *THERE SHOULD BE NO EXCESS WHEN FINISHED. CONTINUE TO BRUSH IF THERE IS RESIDUAL PRODUCT.

Larger oil stains are removed within 4-6 weeks. Re-apply to prevent future staining
